Miracle Mountain Food Drive Let's build a mountain of food for the CCPC Food Pantry! Hopefully you received a bag with a list of most-needed items after worship on Sunday, April 8. If not, you can get the list at www.ccpc.us. Food can be brought to the Kirk Hall foyer from **April 15-22**.

PBinJ Cookbooks Need a gift for Mother's Day, graduation, or a wedding? Back by popular demand, our PBinJ puppet ministry will be taking orders for cookbooks on **April 15 and April 22** in Ballard Hall. The cookbooks will be delivered on May 6—just in time for all those gift giving occasions! We have new recipes as well as the favorites from our first edition! Please help this important youth ministry earn funds for our next tour to Atlanta in 2019!

Academy/Preschool Art Show Come join our students for our 9th annual art show on **Thursday, April 19** from 5:00-7:00pm. We encourage a donation of a nonperishable food item for the Food Pantry as the price of admission. ***Much of the artwork will still be up on Sunday, April 22 so be sure to take time to wander around the main church building and take a look!***

Baptism Class Our next class for those interested in having a child baptized (or being baptized) will meet on **Sunday, April 22** at 11:00am in MC100.

Join us for a Baby Shower for our Nursery! We will be hosting a baby shower on **Sunday, April 29** from 9:00am-12:30pm, outside the Nursery (Room 112). We are looking to replace some of our much-loved toys and equipment, and invite you to support us—and the best part is that WE will do the shopping for you! We will purchase toys and equipment that fit our needs and safety requirements, and you are invited to come enjoy cake and refreshments and "shop" for items you would like to see in our nursery. If you have questions please email our Nursery Coordinator Sarah Ables at sarahables@ccpc.us. Thank you in advance for the love you continue to show for our children!

Calling all God's Gardeners and Groomers Do you have a green thumb? **God's Gardeners** plant flowers in the beds around the church property, and tend them (weed, water, etc.) throughout the summer and fall. Our great **God's Groomers** team keeps our frontage and outside areas looking neat and clean! They trim, edge, cut, clear and haul away the heavier stuff. We need a few able volunteers. ***Please call the church office if you can help!***

Nominations for Church Leaders The Nominating Committee is seeking your help in finding people to serve as Elders, Deacons and Trustees. Nomination forms are available in the Welcome Center wall pockets. Please prayerfully consider who would be good candidates for these positions, and pray for guidance for the committee. Officers must be members of CCPC with regular patterns of attendance and giving. Thank you!

Volunteer for VBS! VBS 2018—"Shipwrecked"—is coming **July 15-19!** Come join us on the island! We need your help to make this the best VBS ever—to volunteer, please go to www.ccpc.us, search "VBS" and click on the coconut! Lead a crew of kids, run a "station", share your photography skills, help hydrate our castaways...there are many opportunities to share your time! ***If you volunteer for the whole week, your kids attend VBS at no charge.***

Summer Sports Camp Sports Camp is an exciting opportunity for students entering grades 1-6 to energize their summer by turning off the television and being active, making new friends, and strengthening character through sports. Activities will include kickball, baseball, basketball, mat ball, soccer, capture the flag, floor hockey, and much more! Sports camp runs **June 11-16**, from 9:00am-4:00pm, and is directed by Tim Barker, Athletic Director and Phys Ed teacher for the Academy. See www.ccpc.us for more information and the registration form.
