+ Announcements

Summer Drive-In Services are here!

Join us Sundays at 8:00am at the Worship Pavilion by driving up in your car, riding in on a bike, or walking in with your family, friends, and dogs. This is a casual, unique service to worship together in God's great outdoor cathedral.

To learn more about these services, call the church office at 614-882-2347.

Freedom Celebration: Sign up to volunteer with your family on July 1:

There are dozens of volunteer opportunities for Freedom Celebration where you can serve with your family. Time slots are available in increments so you can still enjoy the event before or after your volunteer time. To sign up for volunteer opportunities and find a time slot that works for you, search "freedom" at ccpc.us and click on the SignUpGenius button to find the right spot for you.

Registration for VBS is OPEN:

Participant and volunteer registration for VBS is now open! *VBS Shipwrecked* will run **July 15th-19th**, and will be a great time for music, activities, and teaching children about how Jesus Saves. To register, just go online to ccpc.us and search "VBS."

KidMin is looking for Ministry Partners!

Greet families and children and assist them getting checked in at the Check-in Kiosk every 3rd or 4th Sunday from 9:15-9:40am and 10:45-11:10am, then head off to worship or your Sunday School class. A working comfort level with computers and a cheerful manner are helpful. Training will be provided.

If you're interested, contact Judi at judi.irwin@ccpc.us.

Share Music in Worship this Summer

Summer is almost here, and with it comes an opportunity for you to share your musical gifts with the congregation. If you (or a group) would like to provide music during the offering time of the worship services in June, July, or August, please email David at davidmeulenberg@ccpc.us or call the church office.

+ *We are also adding new teams to lead music for the Drive-In Service, contact David if you'd like to participate!*

Local Mission Opportunity: Lifeline Christian Mission

Located right here in Westerville, Lifeline Christian Mission gives you the opportunity to give hope as you package nutritious meals for hungry kids and families around the world. This fun-hands on project is meaningful for all ages from kids to grandparents. To participate, make a donation and pack bags of food at the Lifeline warehouse. There are suggested amounts to donate for the items you pack, but they will accept donations of any size. For more info on this wonderful mission opportunity, head online to ccpc.us and search "Lifeline."
