Hello! We wanted to take a moment and introduce ourselves, and tell you about all the exciting things we have to offer at our church, preschool, and K-8 academy! If you are looking for vibrant worship, small groups and Bible studies, children and youth activities and education, music or sports ministries, pastoral care, ways to help others—or even more—we have many things to offer you! This brochure will give you an introduction to some of them... but we also invite you to call us, visit our website, or just stop by to find out more!

Weekly Sunday Worship

8:00am (Sept.-May) - Worship in our historic Chapel

A traditional service that echoes back to the beginnings of our church when our first building was dedicated in 1870.

8:00am (June-Labor Day) - Drive-in service at the Worship Pavilion

Everyone should experience our unique summer Drive-in service! Sit in your car, or bring a lawn chair, and enjoy this blended worship service in God's great outdoors! The service is broadcast on low-frequency FM radio so you can listen in your car, or just roll down your windows and feel the Spirit!

9:30 and 11:00am - Sanctuary worship

Our two main worship services in our larger, colonial-style Sanctuary mix vibrant worship with Bible-based teaching, and are accompanied by a full slate of Sunday school opportunities for all ages! You can also watch a video of each week's service or sermon on our website.

5:00pm - Casual worship in the Chapel

Our casual/contemporary service provides a worship option for those busy with travel, kids' sports schedules, and other activities conflicting with Sunday mornings. The setting is casual, but the worship is real, powerful, and Christ-centered! The same message is taught at each of our worship services.

Central College Presbyterian Church (or CCPC, for short) is a family of believers who come together for worship, fellowship, learning and fun. We love to nourish our spirits and deepen our faith in God through worship and education...then take what we learn to the world through Christian outreach.

Our History

Central College Presbyterian Church was organized in 1843, to support the students of the newly founded Central College. Our original church building was dedicated on Christmas Day, 1870, and is now our historic Ellsworth Chapel. Over the decades since then, our church has been blessed with many building projects to support our diverse ministries and missions. We're proud of the past that has brought us here today...a heritage that continues to propel us to an even brighter tomorrow!
