

Peter Barrett 2018 Scholarship Awards

Each year since 1999, The Central College Church Foundation has awarded at least one scholarship of \$1,000 to a high school senior, who is a member of our church. The scholarship is a memorial to Peter Barrett, who passed away in 1998 from complications of Juvenile Diabetes during his freshman year at Bowling Green State University.

Applications are reviewed to determine the awards based on personal essays, resumes, high school transcripts and a letter of recommendation from a church member as well as from one of their high school teachers or administrators. The applications are reviewed by a committee of church members.

The stipends are awarded from the Central College Church Foundation and are funded by contributions designated by family, friends and church members who not only want to honor Peter's memory, but those who want to recognize the youth of our congregation. As of this year, over \$30,000 has been awarded in the past 20 years from this fund.

This year, there are three graduating high school seniors who were recognized during the church service on Sunday May 6. A video testimony presented by these seniors as well as other graduating seniors has been posted on the CCPC website. The recipients of the 2018 \$1,000 scholarships are:

Nicholas Fields graduating from Westerville Central High School and will attend The Ohio State University

Grace Musilli graduating from Westerville Central High School and will attend the University of Pittsburgh

Noah Voorhies, graduating from Westerville North High School and will attend The Ohio State University.

Please congratulate our recipients as well as all of the graduating seniors in the class of 2018. For anyone interested in supporting this scholarship program, contributions should be directed to the Central College Church Foundation with a notation designating the Peter R. Barrett Memorial scholarship fund.
