+ what we believe in

5

Practices

- + Evangelism & Mission
- + Worship
- + Fellowship
- + Discipleship
- + Ministry Service

3 **Scriptures**

- + **The Great Commission:** Jesus said to them, "All authority on heaven and earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you to the very end of the age."
- + **The Great Commandment:** Jesus replied, "Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself'."
- + **The Role of the Church Leaders:** The gifts He gave were that some would be apostles, some prophets, some evangelists, some pastors and teachers, to equip the saints for the work of ministry, for building up the body of Christ until all of us come to the unity of faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ.

4 **Truths**

- + **The Sovereignty of God:** God is the supreme authority throughout the universe.
- + **The Authority of Scripture:** Our knowledge of God and God's purpose for humanity comes from the Bible, particularly what is revealed in the New Testament.
- + **Justification by Grace through Faith in Christ:** Our being made righteous (justified) is God's generous gift to us and not the result of our own accomplishments.
- + **The Priesthood of All Believers:** It is everyone's job—ministers and lay people alike—to share this Good News with the whole world.

2 **Traits**

We are pursuing two distinctive ministry and leadership traits.

- + **Shared Ministry:** The ministry of churches can be accomplished by pastors directing ministry, a leadership board directing ministries, and committees directing ministries. Our ministries here can be accomplished by enabling those involved in doing the ministry to direct the ministries.

This enabling has three facets—Empowering, Training, and Coordinating.

Empowering

- Decisions are made at the level closest to the hands-on ministry.
- Decisions are made by teams, not individuals, whenever possible.
- Decisions are made consistent with our 5,4,3 lists above.
- Decisions are made in consultation with other affected ministries.

Training

- True discipleship is a life-long process of growing in Christ-likeness. We seek to excel in training ministry participants and leaders for the journey.

Coordinating

- Decisions will be communicated inward, outward and upward.

Intentional Ministry: Churches can be guided by policy, pastors, programs or past practices. The primary guide for us is the intentionality in achieving our ministry practices. The 5 practices (above, left) answer the question "Why do we exist?" To be intentional, we ask the question "How will we achieve these practices?"

1 **Vision**

1st Corinthians 15:3-4
 "For what I received I passed on to you as of first importance: that Christ died for our sins according to the Scriptures, that he was buried, that he was raised on the third day according to the Scriptures..."
