If you're looking for a wonderful way to “refill your spiritual tank,” look no further than our **Small Group Ministry and Adult Christian Ed Classes** at Central College Church!

We have many groups at Central College Church; women's, men's, mixed—students and seniors. These are a vibrant and vital part of the Body of Christ.

Here's what some people say about their experience:

“ *The small group experience has helped me get connected with other Christians and form friendships that have been such a blessing to me.*

I love the opportunities I have in my group to be in God's Word and in fellowship with other people who want to be immersed in it and benefit from shared insights and conversation.

The prayer support has helped me through some really difficult times recently. Group members have visited me in the hospital and brought meals over. What a blessing! ”
